Thank you for taking time to be.

Spring Concerts '77

ACBU staged three concerts during the Spring of '77, Mac Davis and Dolly Parton, Jethro Tull and Boston with Journey. At the beginning of the semester Mac Davis (below, opposite page) and Dolly Parton (right) provided a program that involved not only the university but also the community. Mac Davis attracted the country-western lovers while the next concert with Jethro Tull (upper opposite page) attracted a different type of audience. Leaping across the stage while playing his flute Tull captured the crowd with his music. For a grand finale of the semester, Boston (below) with Journey brought students back from spring break. Boston still at the top of the charts performed with "More than a feeling," one of their hits.

The whole world's a carnival

Smiling faces, balloons, laughter, and cotton candy characterized the carnival's atmosphere. Campus Carnival, a community tradition, raises money for the needy in the area. Booths were sponsored by various school organizations for people to try their luck at games or raffles.

Graduation 1977

Goodbyes are sad things. You leave behind dreams that you've worked to make real, friends that you've suffered to love, and sometimes a quiet security that was built with half a lifetime. On the road, and in life everywhere, you move along and leave your efforts behind you in the dust knowing deep inside that you will never find them exactly the same again. Often you spend too much time looking back and miss something up ahead. But there's little use in trying to avoid the loneliness and anxiety that go with you when you move on... for that is life, and it is a certainty.

The road teaches you to accept goodbyes as part of saying hello to things that are newer and often better. It teaches you also that what was loved and what was learned in the past can never be lost. On the road you spend much time time wondering, learning, and sometimes, remembering.

Homecoming 1977

September 1977

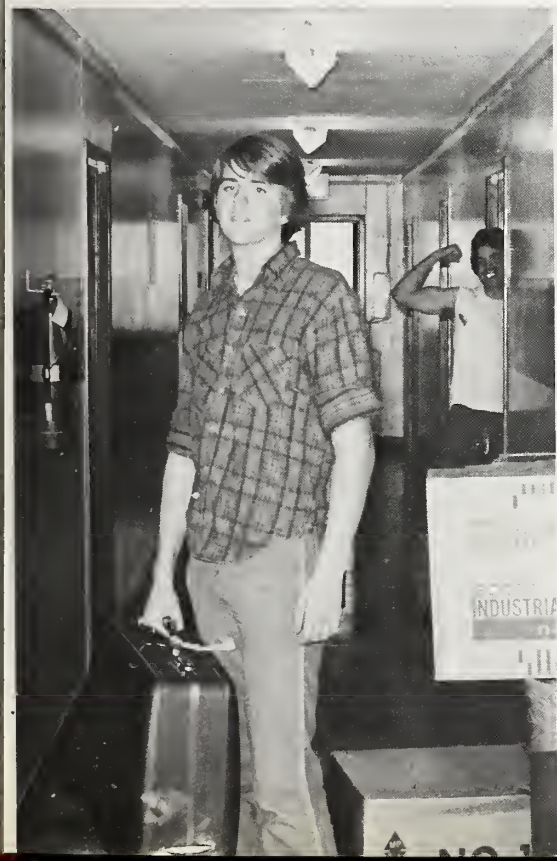

Arrival at Bradley ... it's unpacking and organizing a room. It's the block party and the Greek parties, communication and interaction, seeing old friends and making new ones.

Arrival means registration lines, joking with friends while bearing the heat. It means chats with advisors, a schedule and new professors. It means budgeting time, endless amounts of work, the sterile silence of the library and finally, a sunny free afternoon.

Arrival is building a team for intramurals and having patience during the President's Reception. It's the opening of the Wharf, a party in the dorms and going to see the 75¢ movies.

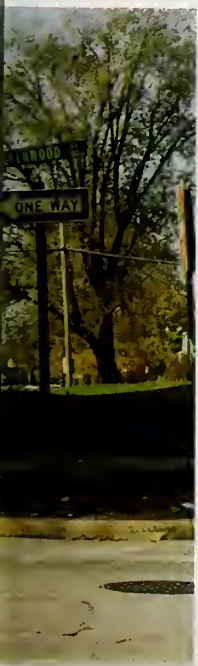

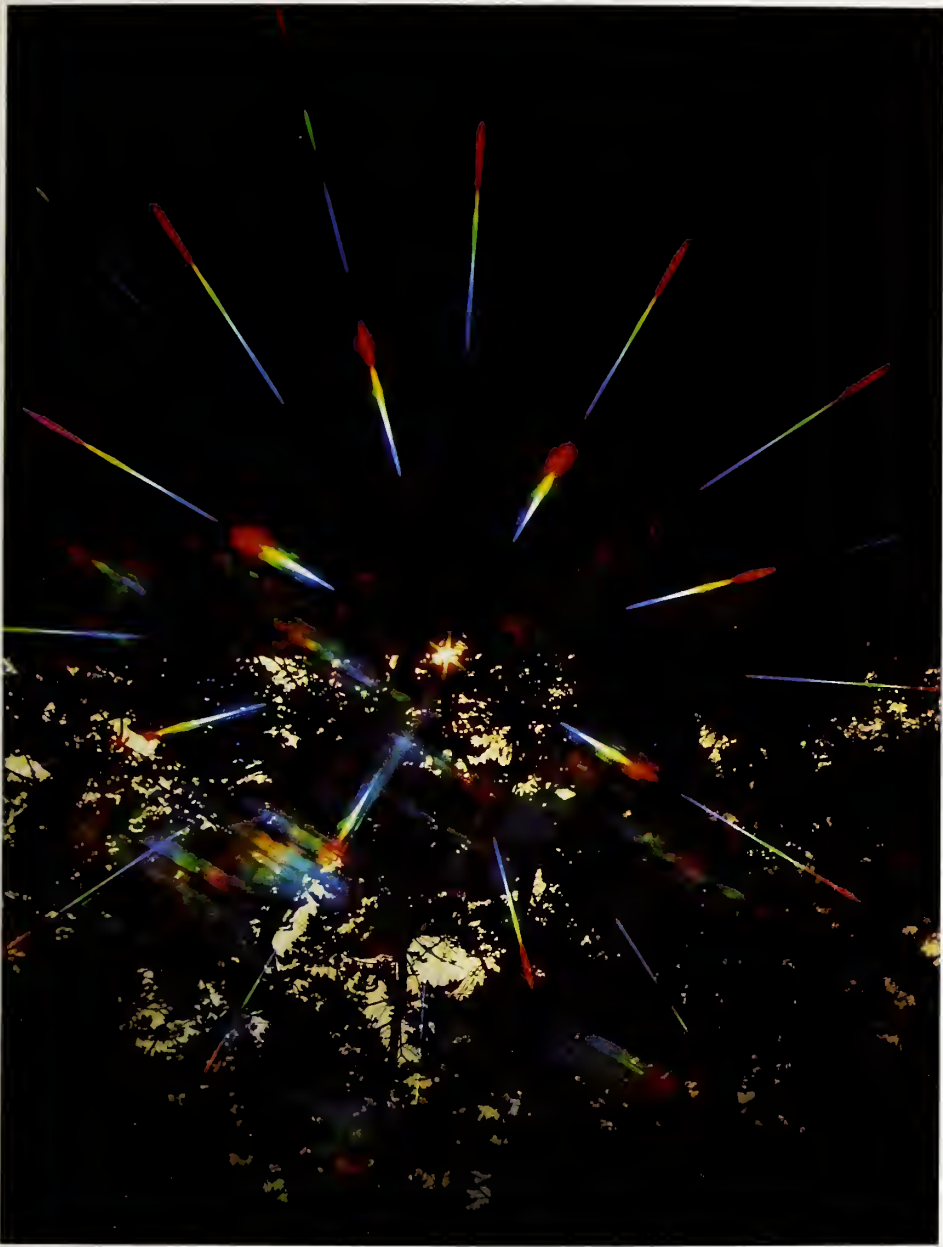

Arrival is expanding and producing, ready to respond and live to the fullest.

A pleasurable seasonable change

Bits and pieces of the past

Below: Lydia Moss Bradley. **Right:** Constance Hall. **Below right:** Famous Five.

The concept of a school started as a dream for Lydia Moss Bradley. In 1896, Bradley received its charter as a Polytechnic Institute. On April 10, 1897, in a prairie land cornfield, ground was broken for Bradley Hall. To everyone's amazement the building was near completion and classes began on the fourth of October. Bradley Hall was dedicated four days later. The next month Horology Hall was dedicated as Bradley's second building. The first year the number of students was limited to 150. The faculty serving those students numbered 13. Members of the first faculty included: Dr. Charles T. Wyckoff, Mr. Charles A. Bennetts, Mrs. Nellie Sawyer Kedgie and Dr. Theodore C. Burgess, who eventually became Bradley's first president.

Bradley started out with a manual arts curriculum. Almost immediately extra-curricular activities began on campus. The first B.P.I. school paper was **The Tech.**

It was published monthly until 1921 when issues were printed weekly. The "Bradley Historical Society" claims itself as the University's oldest organization. The Alumni Association was organized in June, 1901. Bradley's basketball career began in 1904 when the institute was called "Bradley High School". It was not until later that the athletic teams were given the nickname: "Fighting Indians".

Bradley continually expanded both physically and academically. In 1921, B.P.I. established a School of Arts and Science. Bradley was one of the pioneer colleges in the teaching field of creative arts, both as a profession and as a cultural background. The Conservatory of Music became the College of Music in 1926 and shortly after that a new school of Fine and Applied Arts was founded. Duryea Hall which eventually housed the art department was once a factory used for the production of Glide Automobiles.

Ready to face the cold, these girls are pictured leaving Constance Hall, the largest of the women's dormitories. "Connie Hall," a three-story building, also boasts a spacious lawn convenient for sun bathing and relaxation during the spring and fall months.

Nineteen twenty-three is known as Bradley's greatest year in athletics entailing a campaign that earned a claim to three state championships and second place in the IAC Basketball race.

By 1925, B.P.I. was considered Peoria's greatest civic asset with a strong movement towards greater achievement, academic excellence, and athletic progress.

Bradley's first master's degree was awarded in 1947 and a year later a Masters in Business Administration was added at B.P.I.

The rapid change in Bradley's role after WWII came when it changed from a "one-cell polytechnic institute" and took on a new status: that of a University. Course studies were outlined according to humanities, human relations, science and personal relationships. A school of International Studies was begun. Upgrading came in both the size and quality of the faculty. A building program was begun which included the erection of the Robertson Memorial Field House. The University's library book circulation increased to 41,707 and a lecture arts program was initiated. With an increase in enrollment came increased selectivity for incoming students.

Bradley's faculty and graduates did not remain in the background. In 1954, a member of Bradley's English department, Alex Katauskas was granted a Ford Foundation Fellowship. Dr. Louis Yates was the first member of Bradley's faculty to receive an appointment as Fullbright Professor. Major Robert H. Laurence, Jr., the first black astronaut, was a Bradley graduate.

In the early 1970's Bradley was fairly quiet when most other campuses were experiencing turmoil. On June 7, 1970, the largest class in Bradley's history was graduated, 774 bachelor's degrees and 50 master's degrees.

Bradley University has continually grown and expanded throughout its years. It is still expanding and rearranging itself to keep up with the demands of a quality educational institution in 1978.

Director of the Institute

JOHN MEINEN

No greater football player ever wore the Red and White than John, "Dutch", Meinen, of Pekin, who played at left tackle for the past four years. In making the All-State eleven for four straight years, Meinen established a mark probably unequalled by any other college football man in the state, at least it is a record univalued by any other Bradley athlete.

"Dutch" participated in four straight victories over Wesleyan, playing on the first Bradley eleven to defeat the Methodists on their own field in the fall of 1919, his first year at Bradley. In the Carthage game, due to injuries, Meinen was forced to remain on the side lines for the first time in his eight years of experience in high school and college football. In spite of every other record he has achieved, "Dutch" has never been able to score a touchdown.

Standing above every other quality he possesses, "Dutch" has a fighting spirit, the like of which is rarely seen anywhere. Whether his team was triumphant or defeated by an overwhelming score, the great tackle was always fighting. Meinen might rightly be called the backbone of Bradley's defense, for whenever the tide was going against the Red and White the big tackle alone could call together the team and through his influence make the Tech front wall.

Major Robertson and Cadet Commanding Officer John Carson receive a salute from cadets as they pass in review during their annual Reception Day ceremonies held on the Bradley Athletic Field.

Pictured at the left are President Day Owen and Lt. Col. Woodrow B. Wilmot as they inspect an AFROTC squadron at one of its weekly drill periods.

Bradley athletics highlighted by outstanding seniors.

Considering all of the outstanding athletes that have competed at Bradley over the years, the class of '78 is not easy to rank. Names like Tim Harris, Roger Phegley, and David Brown will always be remembered in the record books.

Tim Harris, the first Bradley swimmer ever to participate in the nationals, swam to four of his team's 21 school records. Throughout his college career, Tim has carried a 3.75 gpa in Criminal Justice. He recorded a time of 1:51.24 in the 200-meter butterfly at the National Collegiate Championships in Cleveland, Ohio, finishing 31st out of 59 competitors. Through Tim's performances and team leadership, the Bradley Swimming team is quickly surfacing as a top collegiate contender.

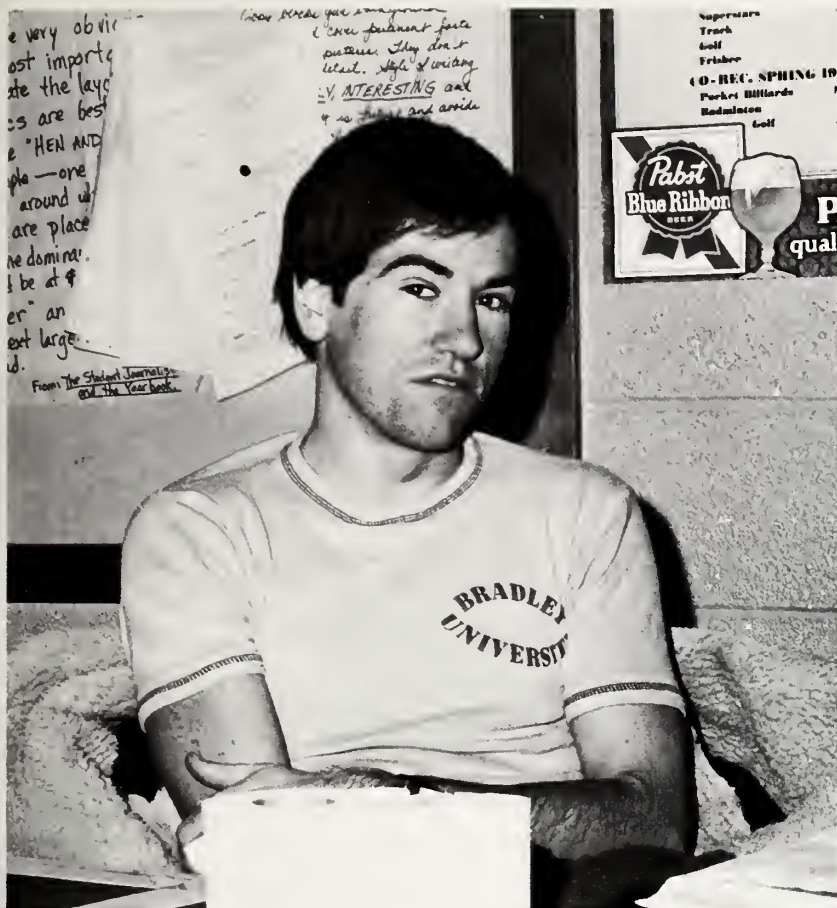

Roger Phegley, a familiar baseball name in the Peoria area before coming to Bradley, has turned into a sensation on the basketball court.

After being given the opportunity to try out for the team as a freshman, Phegley became a starter and immediately became popular with the fans with back-to-back 20 point games against Loyola and St. Louis and a selection as Missouri Valley Player-of-the-Week. Last year he broke Chet Walker's scoring record for a junior year with 739 points, averaged 27 points a game and had a free throw percentage of .874. Through his performances, Phegley ranked eighth nationally in scoring with six games over 30 and 46 points against number one ranked Nevada-Las Vegas. Phegley, at 6-7, plays all three positions for coach Joe Stowell.

David Brown is another Bradley athlete that has done much more than expected when he arrived. David was recruited as a hurdler by track coach Jake Schoof but turned out to be much more. After experimenting with the triple jump in practice, he tried it in a meet, only to break the school record his sophomore year. Last year, David won the Missouri Valley Indoor triple jump competition and placed 3rd

outdoors. His school record broke the standard set by Charles Redd, a Bradley athlete who received a bronze metal in the Olympics for the triple jump. David has been the MVP for the past two years while competing in as many as six events in one meet. His 9.7 speed in the 100-yard dash has helped him become effective in the long jump, triple jump and relays, as well as the hurdles.

Dave Loyd led the golf team for the second straight year with the MVP award. Dave, spending his first semester at the University of New Orleans and the next three at Illinois Central College, came to Bradley with a fine list of athletic achievements. Playing guard for a Richwoods team, he reached the finals of the state basketball tournament, Dave is accomplished in several sports. He finished his junior year with a 76.3 average, the highest on the team, and led the Braves to their best scores in 20 years.

Jim Forster ran to his finest season in 1977. Top man on the squad his senior year, Jim finished seventeenth in the Purdue Invitational and has won numerous dual meets. During his four years on cross-country, Jim always finished in the top three positions for Bradley and was the first finisher among the Braves in every meet in 1977. Jim recorded a 25:02 five mile time in 1976.

Track

Although the Bradley Track Team lost outstanding distance runner John Philyaw, the Braves returned MVP David Brown and outdoor conference champion Steve Hadfield to this years squad. Also aiding to a fine season for the Braves are seniors Steve Chernick, Andy Guasto, Jim Forster, and Mike Freeman.

First Row: Jim Forster, Don Krueger. **Second Row:** Matt Dorney, Mike Freeman, Dave Misewicz, Steve Chernick, David Brown, Perry Tate, Marty Cullen, Mark Forbes. **Third Row:** Mark Kruse, Phil Hight, Rick Walz, Pat Daly, Steve Hadfield, Jerry Crockett, Scott Bradley, Pat Gieske.

Bowling

The Bradley Bowling team returned six bowlers to maintain a strong nucleus and added five newcomers. The team, practicing in the Student Center lanes, works to become a well-balanced squad.

First row: Steve Michelson, Donna Howard, Rochelle Harper. **Second row:** Mike McMillan, Karen Witschore, Michelle Young. **Third row:** Ed Doerk, Kevin Booth, Vince Chapman, Larry Moore, Sherry Mueller.

Baseball

Bradley's baseball team started its season with two straight wins last spring, but went on to lose 29 of its next 43 games to finish with a 16-29 record. The season was not all bad for the Braves as they defeated Tulsa and New Mexico State in the Missouri Valley Tournament only to lose 5-1 to Southern Illinois in the finals to finish second. Jim Shadid was the Most Valuable Player for the team with 30 stolen bases in 33 attempts. Dale Lichtenstien was the leading hitter with a .319 batting average.

Front row: Dave Williams, Rob Butler, Steve Malpede, Dale Lichtenstien, Guy Hoffman, Jim Shadid, Aaron Bronson, Steve Anderson, Randy Marchand, Pat Flanagan, Rich Russell. **Second row:** Coach Chuck Beuscher, Mike Riele, Curt Thompson, Pat Jackson, John Daynor, Dave Burritt, Roger Phegley, Pat Welch, Curt Engel, Mark Allard, Mike Kubera, Randy Simmons, Trainer Jim Peele.

Cross Country

The Freeman-Forster era, under the direction of Coach Jake Schoof, will come to a close upon graduation this year. Mike Freeman recorded the second fastest time ever for a Bradley runner, 24:50 for five miles, while Jim Forster was the top harrier for Bradley in 1977. Transfer student Jim Davis and freshmen Bob Schaefer and Dave Kinley should strengthen next year's team.

Front row: Jim Davis, Dave Kinley, Tom McKernan, Don Krueger, Jim Forster. **Back row:** Pat Daly, Randy Pochel, Mike Freeman, Bob Schaefer, Phil Hight, Coach Jake Schoof.

Tennis

The tennis team took first place finishes in the Ishkosh and Washington University tournaments, while posting a 15-13 record last spring. Jeff Spietz was the number one player with an 18-13 overall record. Returning are Bill Metzler, Tom Richards, Will Davis and Eric Jensen.

First row: Will Davis, Eric Jensen, Dan McCarthy.
Second row: Coach Tom Coker, Tom Skowronek, Bill Metzler, Tom Richards.

Soccer

While the Bradley soccer club finished at 10-3 to complete another successful season, next year may be a time of rebuilding for the Braves. Seniors Eugene Goszczycki, Raul Ramirez, and Yomi John graduate, forcing coach John Kenny to look for players to fill the holes. Jaime Saenz, returning for his third year, will be needed to take up the slack.

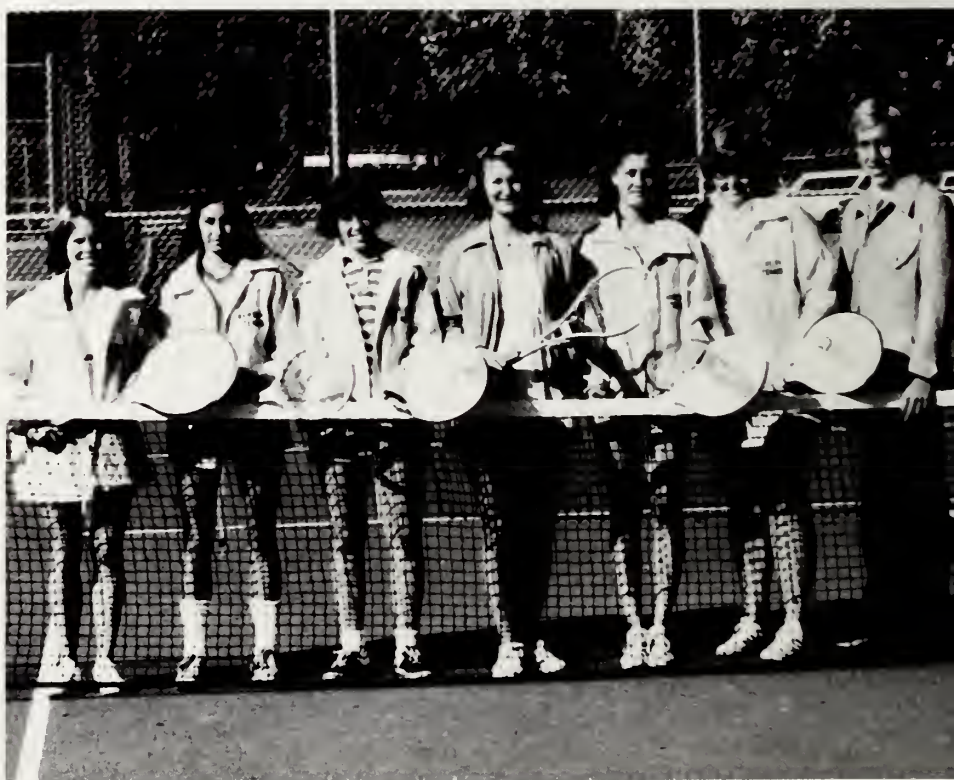

First row: Jim Wendt, Rick Carey, Bob Stalzer, Joel Ahrens, Eugene Goszczycki, Scott McIlwaine, Ali Ozler, Tobias Schifter, Jay Rothstein, Bernard Illera. **Second row:** Coach John Kenny, Jose Strakussek, Daniel Severson, Steve Crist, Paul Ramirez, Jim Klamut, Jay Istuan, Tim Walls, Yomi John, Jaime Saenz, Eric Nelson.

Women's Tennis

Despite a lack of coaching experience and a deficient financial budget, John Shaulis not only coached a winning team, but enhanced a solid women's program for years to come. Comprised of a young team, Bradley won 49 while losing 34, with an 8-2 dual meet record. Shaulis picked out Mary Ralph as the "internal force" who led the team. Unfortunately, Mary will be graduating, but the young team should make the difference next year. It seems Bradley can finally recognize a new sports program as a winning one.

Left to right: Mary Ralph, Jane Sallberger, Gene Casserly, Sandy Dickson, Shelia Consoul, Jill Sharp, Coach John Shaulis.

Golf

Dave Loyd led the Bradley golf team for the second straight year. Dave had the lowest average of (74.7) and shot the best round of 70. Under new head coach Bill Stone, the Braves took second at the SIU-Edwardsville tournament. The team placed fifth at the Intercollegiate tourney. Jim Theine and freshman Rod Smith also had a strong year.

First row: Doug Wuethrich, Dave Loyd, Jim Koenig, Dave Maybe, Mike Asel. **Second row:** Coach Bill Stone, Jeff Gower, Rod Smith, Field Olson, Ed Whittaker, Jim Theine.

Young Braves struggle through a difficult season

Going into the final third of the season with a dismal 7-11 record, the going could not have been rougher for the Bradley Braves. They lost a well played game against nationally ranked Nevada-Las Vegas to a packed field house.

On the road, Bradley beat Tulsa 80-78, and went on to be defeated by the New Mexico State Aggies 96-85. Returning to the field house for homecoming, the Braves suffered a one point loss to powerful Southern Illinois. Then Drake visited, taking a 91-83 victory with them back to Des Moines. Bradley lost two more games on the road to Wichita State and West Texas State respectively.

Finally breaking a five game losing streak, the basketball Braves won their final home game by routing Tulsa 97-83. In the first round of the post-season Missouri Valley tournament, the Braves were knocked out by Drake (80-73) bringing the season to a close and their record to 9-18.

Recruits add strength to team nucleus

First row: Brenden McCarthy, Ken Garrett, Roger Phegley, Tom Prusator, Alex Mazeika, Harold McMath, Robert Jenkins, Dennis Smith. **Second row:** Mike Peres, Dana Davis, head coach Joe Stowell, Dan Ruffin,

Clarence Jones, Bobby Humbles, Terry Laaker, Rick Malnati, assistant coach Mark Dohner, assistant coach Chuck Buescher.

Tom Prusator, from Kewanee, enters the season as the tallest player ever on a Bradley team. The 7-0, 210 pound freshman was named to the All Western Illinois team and received Special Mention on the Chicago Daily News All State team along with playing on a United States High School All Star team which toured Poland.

Robert Jenkins, a 6-5, 200-pound forward from Edison Junior College in Ft. Meyers, Florida, brings rebounding strength to the Braves with his proven jumping ability. Jenkins, named to seven All-Tournament teams in two years, led Edison in rebounding, averaging 11 per game. He was named to the Florida Junior College All Star team last year.

Clarence Jones, one of the two new guards at Bradley, brings impressive statistics from Taft High School in the Bronx. The 6-0, 170-pound freshman averaged 15 points

10 rebounds and eight assists on the 35-9 Taft team that went into New York City semi-finals the past two years.

Rick Malnati is the other new guard for the Braves at 6-0 and 150 pounds. Playing for the New Trier West in Wilmette, Ill. he averaged 14.9 points per game and set six new school records during his senior year to lead the Cowboys to their first state tournament appearance. He was an All Conference selection while breaking records in steals, assists, and free throw shooting.

Brenden McCarthy, a 6-5 walk-on forward comes to Bradley from Niles Notre Dame High School, the same high school which produced former Bradley guard Tom Les. He received Honorable Mention on the All Conference Area team and lettered three years in basketball along with qualifying for the academic Honor Roll.

The Bradley Basketball Braves started the 1977-78 season much the same as they have those in the past — with a win. But this season drew the fans in for more than simple entertainment. It was a year for coach Joe Stowell to prove just how much he could accomplish with an experienced team.

Bradley started out with a 102-79 win over California State-Hayward while Roger Phegley picked up right where he left off last year, scoring 35 points.

The Braves' second game brought the rematch of their most exciting game last year. After suffering a 107-106 loss to Nevada-Las Vegas at home, the Braves traveled to the home of the Running Rebels where history repeated itself. Bradley again came away with a one point loss, 91-90.

After outstanding play at Nevada, Bradley moved up to Chicago to take on the nationally ranked DePaul Demons, and again the Braves came away with a heartbreaker. Trailing for most of the game, the Braves were down by two with seventeen seconds remaining. But a missed DePaul free throw bounced over the head of newcomer Robert Jenkins and Demons emerged with a 89-85 win.

Returning home with two losses but high hopes of an outstanding season, Bradley took out its frustrations on Illinois Wesleyan, 80-64 as Phegley led all scorers with 26 while Humbles added 21.

Three days later they hosted Lewis College and put it all together to raise their record to 3-2. Humbles' 12 assists in that game were only three short of the school record set by standout guard Tom Les in the '75-76 season.

When the Braves hosted Brigham Young four days later, BYU handed Bradley its third loss, 86-79. Trailing by three with just over a minute to play, the Braves missed a crucial jump shot and eliminated their chance to win. The loss evened Bradley's record at 3-3.

Perhaps the Braves biggest non-conference game came against arch-rival Illinois State a week into the new year. Last year ISU handled Bradley easily, 89-66, but when Randy Smithson sank two free throws with 10 seconds remaining, it was all but over as ISU won 84-83.

When the first conference game arrived, adley, the underdog, faced Southern Illinois and came away with an 86-81 win. Roger Phegley, playing up to his All-American forecast scored 39 points and became the nation's leading scorer.

After defeating West Texas at home, 90-67, Bradley fell to Drake 95-92 and prepared for a rematch with DePaul.

Not only did Bradley fall to its biggest defeat, 80-66, but when Phegley collided with Demon guard Randy Ramsey he injured his wrist and missed several of the following games. Even without Phegley, the Braves gave Indiana State, ranked fourth in the nation, a scare (73-67) as Alex Mazeika scored 27 points. After defeating Tulsa on a 30-point night from Garrett, The Braves lost to New Mexico State 81-79.

After losing to conference leader New Mexico State, Bradley went on a winning streak and picked up three quick wins. Traveling to West Texas State, the Braves won in overtime and back at home, Roger Phegley returned to score 32 points and lead Bradley to a 103-99 win over the second ranked Creighton team.

Capping off the winning streak, Bobby Humbles pumped in a 35 foot jump shot at the buzzer to give the Braves a 78-77 win over Wichita State and keep them in contention for the title race.

Cheerleaders

First Row: Lynne Jalovee, Linda Fink, Karen Evans, Michael Baker, April O'Marah, Jean Hogan, Sharon Evans. **Second Row:** Ramone Noska, Dave Bowker, Ken Montgomery, Ott Fotre, Mike Geraci, Dan Pollock, Matt Brausam.

The incredible amount of noise created by the Bradley fans has spelt doom for many visiting teams at Robertson Memorial Field House over the years and the cheerleaders are the reason why. From amazing backflips off the top of a human pyramid to acrobatic acts on the side, they spell out the true spirit of Bradley basketball. The Brave, Mark Norris, joins with the cheerleaders for the second straight season.

Hockey

The 1977-78 Ice Braves entertained hockey fans with explosive offensive performances.

This was evidenced by a new team record of 21 goals scored against the Bloomington Hockey Team. Outstanding goal scorers this year were seniors Dan Todd, team captain

Greg Schmidt, and freshmen Mike Bleck, Mark Michonski and Howard Bass. Next year's defense will lose co-captains Paul Gaudette, Howie Kendall, and goalie Mike Messuck.

Returning to the defense however will be the hard-hitting Herout brothers, Jerry Ogden, and goalie John Wills.

First Row: Jack Thorpe, Paul Gaudette, Mark Christianson, Mike Richardson, Mike Timberlake, Greg Schmidt, Mark Machonski, Dennis Shannon, Mickey Bleck, Jerry Ogden, Frank Herout, Howard Bass, Frank Pintz, Rich Herout. **Second Row:** Pete Bardezbantin, Tom McFeeley, Danny Todd, Howard Kendall, Kevin Teale, Mikie Messuck (G.M.), John Wills, Mark Koval, Brad Wachowiak, Patrick Bleck.

Wrestling

The Bradley mattmen continue on as they have in previous years, wrestling on their own as an independent club. Losing some experienced members from last year, the club is in the rebuilding stage and looking forward to future seasons Senior Tom Brosowski had a good season. Jay Daly and Mike Miller will be returning next year.

First row: Brad, Mark, Kevin, Mike Fout. **Second row:** Jay Daly, Mike Miller, Rich Acosta, Tom Brosowski.

Volleyball

The women's volleyball team ran its string of winning seasons to three this year with a 25-14 record. Six players returned from last year's team which finished at 25-12. Senior Cheryl Draper and junior Lynn Held led this year's team.

First row: Mary Lagerstom, Elaine Davis, Lynn Held, Robin Montgomery, Mary Jo Keegan, Rhonda Rock, Dorothy Nugent. **Second row:** Mary Jane Hill, Marcia Hill, Kathy Svoboda, Cheryl Draper, Carol Draper, Tammy O'Leary, Gina Brandon, coach Annelle Griffin.

Swimming

Bradley swimmers are duplicating their 1977 season of seventeen school records and an 11-2 dual record. NCAA qualifier, Tim Harris, once again leads the squad with individual and relay records.

Seniors Roy Whalen, Reg Folmar and Rick Schackle also contributed to a fine season.

First row: Jeff Bowers, Bryce Unruh, Greg Wells, Joe Newcomb, coach Jim Spink, Kevin McCarthy, Chris Drew, Roy Whalen, Bel Shat, Reg Folmar. **Second row:** John Murphy, Mamorth, Jeff Martin, McCormack, Porter, George Vanderheyden, Tim Harris, Rick Schackle, Hernendy.

Women's Basketball

The women's basketball season took on a new look this season — that of a winning team. After suffering through a 3-15 record last season, the women took advantage of their scholarships and the year of experience to win five of their first eight games of the season. Freshman Connie Griffith proved to be the scoring leader in Bradley's early wins.

First row: Stephanie Jones, June Stephenson, Laura Chesler, Mary Lagerstam, Lynn Held, Sue Picl, Lisa Schmitt. **Second row:** Coach Annelle Griffin, Carol Draper, Mary Lynn Schaefer, Cheryl Draper, Kathy Stokes, Connie Griffith, Jan Winkler.

Women's track

Last spring, the Bradley Women's Track Team completed its second season, placing second in two triangular meets. The women also competed in three invitationals placing fourth out of seven teams in the North Central Invitational for its best effort. Maria Braunlin was chosen the most Valuable for the team. Leading scorers were Braunlin, Mary Ann Dickerson and Cindy Carr.

First row: Marsha Hill, Cindy Carr, Carol Draper, Erlinda Cabanting. **Second row:** Mary Anne Dickerson, Carol Gray, Lisa Schmidt, coach Annelle Griffin.

Intramurals

It was a year of changes in the sports program at Bradley. The students were charged to attend the basketball games, women's tennis was added to the varsity sports' list and the intramural program went through a major improvement ... again.

Yes, the intramural program has changed and it comes as no surprise to the students that have been here since the arrival of Bill McClintock, Director of Intramurals. McClintock, spending his third year at Bradley, has brought modern innovations that were originally limited to only bigger colleges.

This year, Rec-Check was introduced to the students. Rec-Check, a recording of information on building hours and intramurals deadlines, was brought about through McClintock efforts.

John Shaulis, an assistant to McClintock, celebrated his second year at Bradley.

"Intramurals is becoming a first class program here even when compared to other schools," Shaulis said. "The little things that Bill is doing are really contributing. He is a real professional - he knows what's going on and really keeps up with things."

McClintock and Schaulis are getting the program for the non-expert, and are playing down the winning attitude. "We are more concerned with the students having fun," McClintock said. "It gives teams something to rally around and grow closer and help people to blow off a little steam."

With female participation increasing and the interest in minor sports growing, the intramural program is growing right along with it. "We are aimed at the 95-97% of students that aren't on varsity sports," Schaulis said. "Our variety is so big there should be something for everybody."

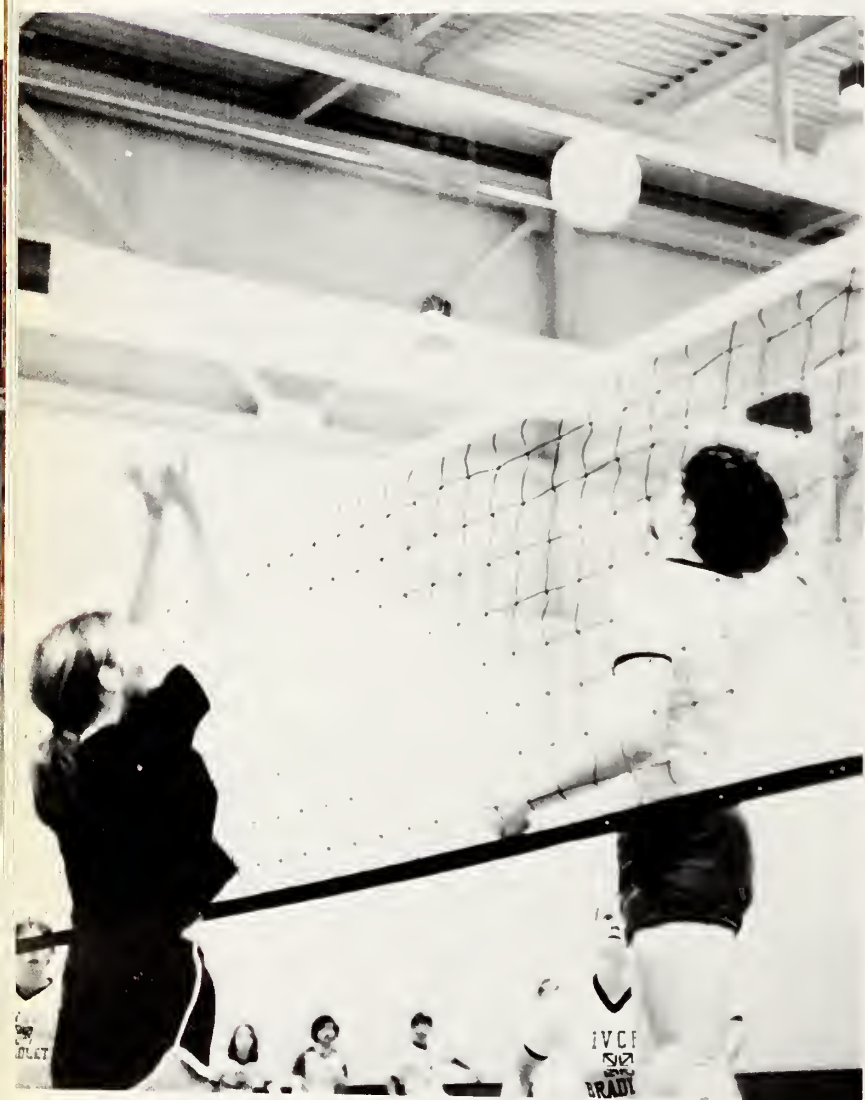

The Bradley Turkey Trot intramural race is growing bigger and faster each year. Steve Hurd won the men's race, while Margaret Dospil took the women's. The Turkey Trot is supposedly limited to the hard working competitor who's daily runs are rough and vigorous. One would think that only a cross country freak would run such a race, but this year saw over 60 runners compete in the two mile race. The terrain of the course is truly unique. Beginning at the Student Center quad, it travels up and down stairs, through the rock garden, only to finish up at the starting point.

The fraternity football era came to an end this year in the intramural football league. The championships were frat-less with the Over The Hill squad defeating Williams III for the title. Lambda Chi Alpha was defeated by Williams III in the semi-finals while Over The Hill edged Theta Xi in over-time. In the women's division, Pi Beta Phi kept the Greeks alive by defeating Seventh Heaven.

STUDENT LIFE

Commuters

Dear Pat,

Thanx for the letter. It was good to hear from you.
I can't believe it costs you \$4.00 to do your wash!
Just thinking about that, I can imagine it's a real
pain doing your own wash anyway. Of course my mom
still does mine.

Speaking of my mom, she says "Hi" and she misses you
coming over for her special burgers. That's what we
had for dinner last nite.

My "little" brother is taller than me now. And he's
a real brat when I'm tryin' to get my calculus done.
I guess goin' away to school does have some advantages.

But I can really enjoy not having to pay any phone
bills. You had better cut down, \$40 a month can
definitely kill your budget. I've gotta go shovel
the walk. Catch ya later.

Miss You,
Terry

Apartments

Dear Mom, Dad, Sue and Joe,

How is everything at home? I must say I really like my apartment. It's within walking distance and I can decorate it however I wish. No R.A. or Housemother to restrict my creativeness.

When the phone rings, I can pretty much be sure it's for me. If I fall asleep on the couch that's OK, too.

And I love my new guppies you sent me. There's a new water conditioner on the market, Caudalfin,

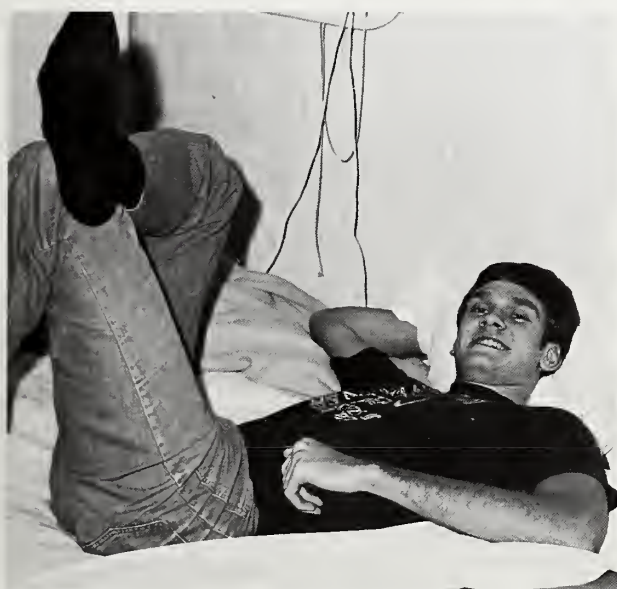

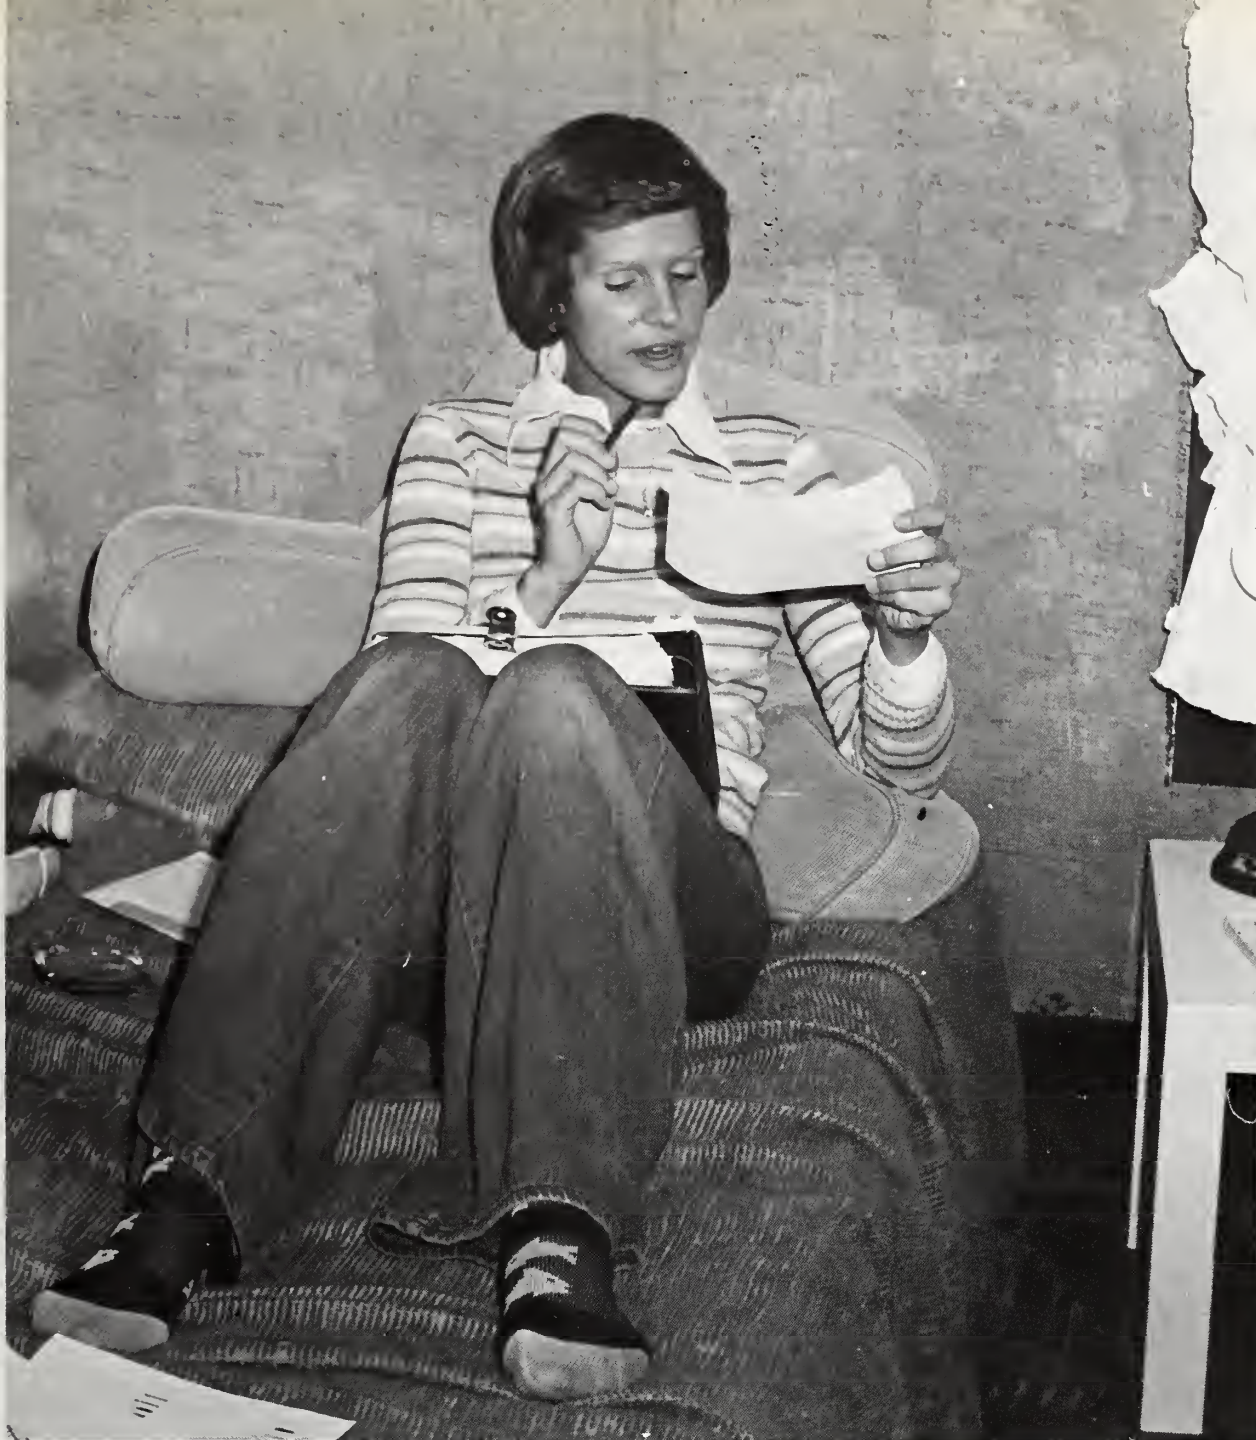

it works great. It's nice having a pet again.

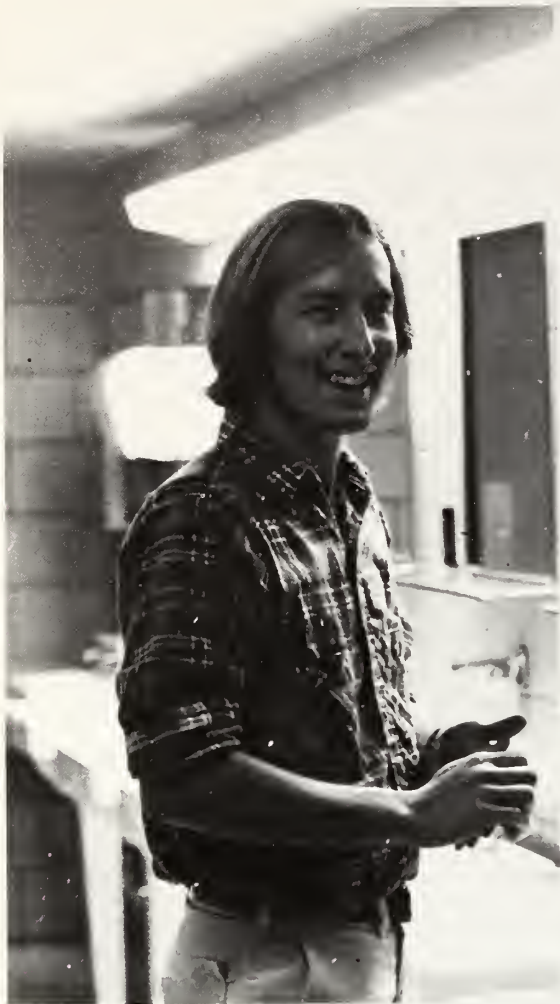

Remember how terrible I used to cook? Have no fear, I've improved a little and with a little help Avanti's and McDonalds-I'm doing fine.

I've got two tests next week, need I tell you I'm not looking forward to them. I better start studin', I'll write again soon.

Love,
Your kid

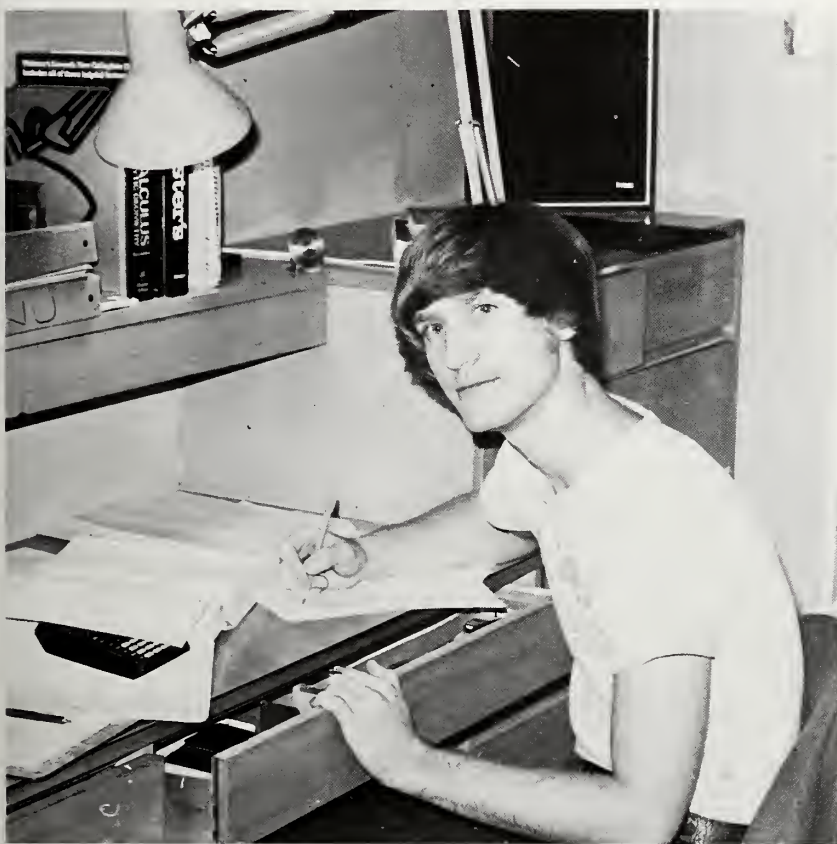

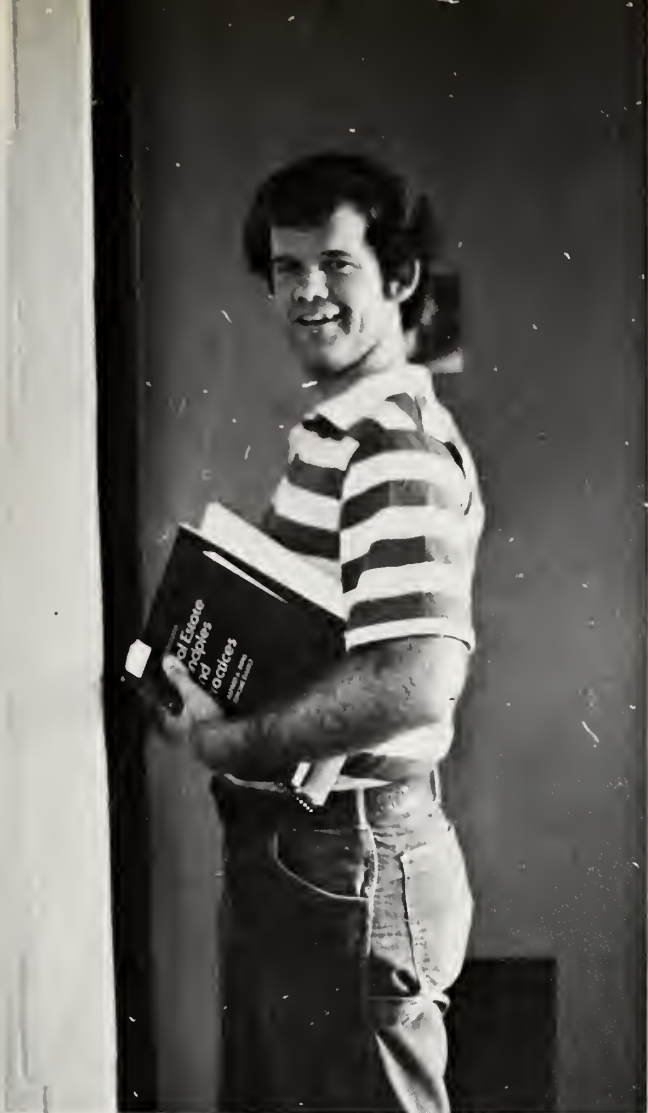

Dorms

Dear Mom and Dad,

Here I sit in my dorm room procrastinating. I've got so much to do - bio, psyc, and art to study. I can't wait 'til break. You know this weekend we've got a big dorm party, should be lots of fun.

I sent some snapshots just so you could see what college life is about these days. See that bunch of girls, they live upstairs and they're always clownin' around. And how 'bout my roommate, he's a real character, he just can't handle those dorm parties.

There's this kid that lives down the hall who was running around in his underwear last week. You see, it was his birthday, so of course we had to embarrass him. Great!

The food's not too bad, and catching "face time" in the cafeteria is great. I'd better go - it's dinner time. Miss you.

Love,
Your son

Greeks

Dear Mom and Dad,
Thanks for the extra money, it is always appreciated. It's really great living in the house. It's super not to be confined to a dorm room. Our cook doesn't compare to you, but she really gets the job done well.

Of course living with 28 other people, my phone messages tend to get lost, but I guess that's Greek life, accepting the bad with the good.

My time is being well spent. I've got a pledge daughter and with that a lot of responsibilities. Classes are going pretty well and the social life is not bad either. We've got chapter meeting in a few minutes so I'd better sign off.

Love,
Your daughter

Join the people who've joined the Army.

A lot of young men and women have discovered a good place to invest their time. The Army. What they're found here, they may not have been able to get anywhere else.

Some came to learn a skill. With training in hundreds of jobs to choose from. Some came for the chance to work in Europe, Korea, Alaska, Hawaii or almost anywhere in the U.S.A.

Some came to meet a unique personal challenge. Like the responsibility of doing a good job at an early age. Some came to get a start on their college education. With the Army paying up to 75% of their tuition and fees for approved courses.

And some came to do something positive for thier country. Which is a pretty good reason in itself.
